Based on the Company's financial statements, the Company equity value using the latest financial statement for the year ended December 31, 2020 is US\$670,568,407. Notes issuance value represents 89.48% of the Company's equity based on the financial statement for the year ended December 31, 2020.

Therefore, based on OJK Regulation No. 17/2020, the Proposed Transaction must obtain prior approval at the EGMS of the Company.

Furthermore, considering that the Notes will be issued through international offering to institutions or other investors outside the jurisdiction of Indonesia; and Notes to be issued will not be offered to any of the Company's affiliates, the Proposed Transaction is not an affiliated transaction as set forth under OJK Regulation No. 42/2020. The Company ensure that the Proposed Transaction will not harm the Company such that the Proposed Transaction does not create a conflict of interest as set forth under OJK Regulation No. 42/2020.

As of the date of this Information Disclosure, there is no objection from certain parties relating to the Proposed Transaction.

III. EFFECTS TO THE COMPANY'S FINANCIAL CONDITION AS A RESULT OF THE PROPOSED TRANSACTION

After the completion of the Proposed Transaction, the Company will use the proceeds of the Notes to redeem partial or whole of the 2026 Notes (including interest and other expenses). The proceeds of the Notes will enable the Company to maintain its liquidity and extend the maturity profile of its debts, all of which will support the Company's growth.

The impact of Notes issuance on the Company's consolidated financial statements as of December 31, 2021 is as follows:

Increase of cash ratio from 4.8% to 5.2%, increase of quick ratio from 6.9% to 7.3% and increase in current ratio from 7.7% to 8.1%. Whereas these ratios may change depending on the amount used to redeem debts, pay for future capital expenditure, support the Company's general needs, and there is no material impact to other key financial ratios.

Notes issuance does not create any potential violation of financial covenant on debt/loan owned by the Company.
