

Cikarang Listrindo Fosters Wangunharja Village to Achieve Zero Stunting

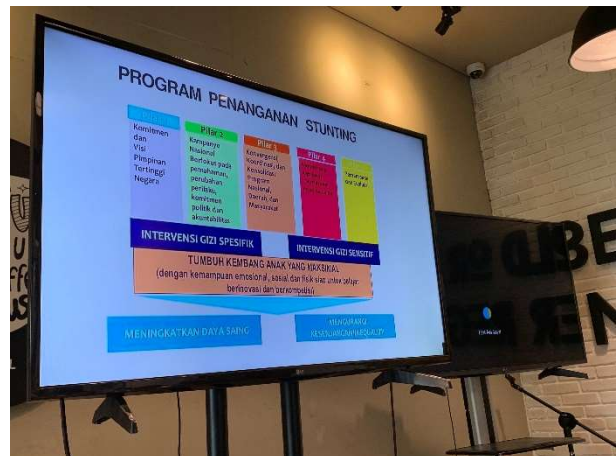

Jakarta, April 1, 2022 – In the spirit of “Powering Goodness”, PT Cikarang Listrindo Tbk (IDX: POWR) partners with the Mekarmukti Health Center and the Bekasi District Health Office to support the national target of 20% stunting reduction by 2025, that will be implemented in the Bekasi Regency area, precisely in Wangunharja Village. This village is located in North Cikarang District which is the location of the stunting focus (locus) in Bekasi Regency. Through this partnership, the Company intends to form a Stunting Task Force Team at the Puskesmas as one of the achievements of the

Wangunharja Village to become an independent village through the Sehat Sejahtera Berseri (SERASI) Program.

The SERASI program is one of the community empowerment programs in the health sector carried out by the Company. As the initial step of this program, the Mekarmukti Health Center and the Bekasi District Health Office conducted a special training on understanding stunting and how to handle it, which was given to 15 cadre representatives from 9 posyandu assisted by the Company in Wangunharja Village. The Company itself has been fostering the local posyandu since 2019.

This training will be carried-out continuously for 3 years as a minimum to enable the formation of the Stunting Task Force Team to be the vanguard of the stunting problems in Wangunharja Village. In the initial training on March 28, 2022, together with the representatives of the Company, also present, Mr. Supriadinata, SKM. MS.i as Head of Public Health Division of Bekasi District Health Office, Mrs. Hj. Milik M.Kes as Head of Maternal Health and Nutrition Section, Mr. H.Firman, SKM as Head of Mekarmukti Health Center, Mr. Enop Can, SH, M.Si as Head of North Cikarang Sub-district, and Mr. H. Ganda as Head of Wangunharja Village, who fully supports the new breakthrough in Bekasi Regency in dealing with stunting in a sustainable manner and forming a Stunting Task Force Team in Wangunharja Village.

Mr. Supriadinata as Head of Public Health at the Bekasi District Health Office stated that, "Bekasi Regency has a target of 20% stunting reduction for the next 3 years, through a program initiated by PT Cikarang Listrindo Tbk to assist on an ongoing basis, through fostered posyandu in Wangunharja Village to deal with stunting. We hope Wangunharja Village will become a pilot village to motivate the other entities in Bekasi Regency to include this program in their social responsibility activities."

This program is in line with the Company's motto, namely the Powering Goodness, and is guided by the Company's cultural values, namely STAR (Service, Trustworthiness, Accountability, and Reliability), especially service or serving that upholds the attitude of helping others, caring and sincerity. The Company hopes the program to achieve an independent village in Wangunharja Village will have a long-term impact on the community and realize a zero-stunting village that is in line with Sustainable Development Goal No. 2, namely No Hunger.
