

Sustainability Program for Joint Action on Climate Change Prevention by Planting 300 Trees at Kiara Payung Kehati Park with DLH West Java Province

Jakarta, 15 December 2022 - On 12 December 2022, PT Cikarang Listrindo Tbk (IDX: POWR) ("the Company") continued its commitment action to the Biodiversity Park (Kehati) Kiara Payung Block 2 located in

Sindangsari Village, Sukasari District, Regency Sumedang, West Java, through planting 30 species of productive and endemic plants of West Java Province such as saninten, gandaria, hantap, Kacapi, teureup, and other endemic trees, totaling 300 trees, to protect the biodiversity of flora and fauna in West Java. This regular tree planting is a concrete action from the Company to conserve the upstream Citarum river basin (or Daerah Aliran Sungai/DAS).

In addition to the planting trees agenda, the Company altogether with the Environment Services (Dinas Lingkungan Hidup/DLH) West Java Province conducted also bird banding to increase the diversity of bird species in the Kehati Kiara Payung Block 2 Park area, with a total of 7 birds from 3 different species, among them, 1 is from protected species, namely the black hat gourd. With the bird banding carried out this year, there are total 23 species of birds in Kehati Park.

The Taman Kehati Kiara Block 2 area of 2.54 hectares which was inaugurated on 30 May 2022, is part of the Company's efforts to control national and global climate change. With the spirit of "Powering Goodness" in the environmental area, the

Company has a goal to contribute to the Indonesia's Nationally Determined Contribution to the Sustainable Development Goals (SDG's) no. 13 on Climate Action, and no. 15 on Life on Land.

As a continuation action toward the Taman Kehati Kiara Payung Block 2 which inauguration was carried out in the mid-2022, on 12 December 2022, a planting event was held by the Company and DLH of West Java Province, each represented by Mr. Jannes M. Sirait, the Station Manager-Jababeka Site PT Cikarang Listrindo Tbk and Mr. Didi Aji Siddik, SSi, MT, the Secretary of the Environment Services (DLH) West Java Province, who carried out a symbolic planting of the 300 trees. The Company's partnership with DLH West Java in the management of Kehati Park will last for 5 years until 2026, including periodical planting of 300 trees every year.

PRESS RELEASE

This KEHATI Park management partnership, in addition to helping the protection of the biodiversity of flora and fauna in West Java, will also improve the socio-micro economy of the community around the KEHATI Park area through the Asset Based Community Development mentoring method. The mentoring is carried

out in partnership with local communities such as competent breeder and farmer groups, where the Company will conduct technical training and operational assistance to improve the groups' welfare.

At the planting event, representatives of Sector 21 Citarum Harum Commander, Head of Sindangsari Village, Babinsa and Kamtibmas of Sindangsari Village, and Head of RW Kampung Cikeuyeup were also present. The Company is grateful for the joint

support given from various parties and the Company's commitment to continue to make sustainable innovations (ESG) in every aspect of its business, as well as to generate sustainable added value for stakeholders.
