PT Cikarang Listrindo Tbk Receives Platinum Award at ASRRAT 2025

Bali, November 28, 2025 – PT Cikarang Listrindo Tbk received the Platinum Award at the Asia Sustainability Reporting Rating (ASRRAT) 2025 event, in recognition of the improvement in the quality and transparency of the Sustainability Report for Fiscal Year 2024. The award was presented at the ASRRAT 2025 Gala Dinner held at the Nusantara Ballroom, The Westin Resort Nusa Dua Bali.

ASRRAT is a regional assessment program conducted by the National Center for Corporate Reporting (NCCR), which assesses Sustainability Reports based on international standards such as the Global Reporting Initiative (GRI). This award marks the Company's highest achievement since it began participating in 2021 and represents a significant improvement over the previous year's Silver Rating.

Christanto Pranata, Director of ESG & Finance at PT Cikarang Listrindo Tbk, expressed his appreciation for the award. "This recognition reflects our commitment to continuously improving the integration of ESG principles into the company's business strategy. We will continue to maintain the quality of transparent and accountable reporting for all stakeholders," he said.

This award further reinforces PT Cikarang Listrindo Tbk's dedication to improving its environmental, social, and governance performance. This commitment is realized through various initiatives, such as energy efficiency efforts and gradual emission reductions, sustainable community empowerment in operational areas, and strengthening governance practices and more transparent stakeholder engagement. All of these steps align with the Sustainable Development Goals (SDGs) and serve as the company's foundation for making positive contributions to the environment and society while supporting sustainable economic growth in Indonesia.
